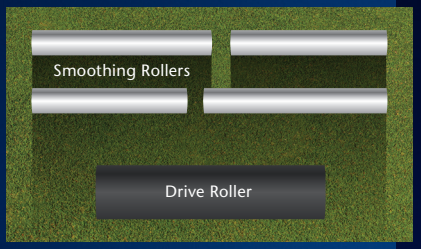
TORO Count on it.

GreensPro™ 1200

FEATURES

- *Ideal for greens, tennis courts and other fine turf surfaces*
- *Offset smoothing rollers deliver consistent roll without leaving a roll line*
- *Independent rollers follow undulations, preserving desired contours*
- *Turning radius designed to reduce scuffing and turf damage*
- *Steering wheel for simple operation*
- *Easy-to-operate foot pedals control roll speed*
- *Converting from operating to transport mode can be done by one person without tools*
- *Balanced weight distribution, ensures even rolling, regardless of the operator*



Offset smoothing roller design for uniform greens appearance and playability

Keeping your greens smooth just got easier!

The new Toro GreensPro 1200 riding greens roller is the perfect rolling tool for fine sporting turf such as golf greens, tennis courts and bowling greens. Turf that requires a smooth, high performance surface for optimum playing conditions will benefit from precision greens rolling with the GreensPro greens roller.
